Year-end office bingo

Mark the things you did this year. Find three in a row across, down or diagonally. Call out your numbers, then tell the story behind one square.

1 Rescued a coworker with the right link	2 Learned a shortcut you now use daily	3 Saw a pet join a meeting
4 Fixed something by restarting it	5 Kept a plant alive at your desk	6 Had a mug go cold twice in one day
7 Made someone laugh with a typo	8 Finally closed a tab you'd kept for weeks	9 Heard "you're on mute" and it was you

One square short? Tell the group which one you were hoping to claim.
